

PROFESSOR EDWARD DAVIS

Collegiate Professor

Edward (Mick) Davis is a Collegiate Associate Professor who has taught biology, mathematics, and statistics with UMGC in Europe since 2018. He earned his Master of Science in Biology and Health Science from Abilene Christian University and a Bachelor of Science in Pre-med Biology from the U.S. Air Force Academy. His teaching philosophy centers around the needs of the students come first. My current personal interest is to do as much travel to see Europe as I can. I hold an ATP (Airline Transport Pilot) Rating.
